# Directory of Education Programs in Wisconsin's County Jails and Juvenile Detention Centers

Compiled by the Correctional Education Association-Wisconsin

December 2019

The Correctional Education Association-Wisconsin (CEA-W) is interested in providing services for teachers and volunteer tutors working in county jails and detention centers. To do so, CEA-Wisconsin has developed this Directory of teachers, education coordinators, and volunteers working in those settings.

Teachers and volunteers working in jails and detention centers often express the concern of being isolated and unable to communicate with their peers working in similar settings. CEA-Wisconsin hopes this Directory will enable teachers and volunteers to contact their colleagues working in other facilities to ask questions, share ideas, and pool resources.

In addition to this Directory, CEA-Wisconsin provides these services for jail and detention center teachers and volunteers:

- County jail articles in the bi-monthly CEA-Wisconsin newsletter
- Special sessions for jail teachers at the CEA-Wisconsin Training Day, Region III CEA Conference, and International CEA Conference
- Posting of articles on the National CEA Jails Discussion Forum at [www.ceanational.org](http://www.ceanational.org)

If you would like to be included in this Directory or know of other teachers or volunteers who could be included, contact Jerry Bednarowski at [jerrybednarowski@new.rr.com](mailto:jerrybednarowski@new.rr.com). Also contact Jerry with any corrections, questions, or suggestions. Updates of the Directory will be emailed to each person listed in it and posted on the [www.ceawisconsin.org](http://www.ceawisconsin.org) as changes occur.
